SKILLS

Technical - OOPs, DBMS, Git, Data Structures, Algorithms, Mathematics, Data Science

- **Languages:** Python[primary], C++, JavaScript, SQL
- **Frameworks and Libraries:** Django, DjangoREST Framework, React, Bootstrap, NumPy, Pandas
- **Operating System:** Ubuntu, Windows

Non-Technical - Problem Solving, Teamwork, Public Speaking, Versatility, Football

Language - Hindi, English

EXPERIENCE

Minicoders - Python Django Developer - Intern, Barcelona (Spain)

Mar 2023 - Aug 2023

- Part of the Backend Development team. Build the company's website using Django.
- Built some Dynamic web pages using Python, Django, and PostgreSQL. Work on AWS to deploy Django applications.
- Implement various generic Data Structures functionalities like Array, Stack, and Tree for Database table hierarchy, and CRUD operations using Python.

PROJECTS

One-Piece (E-commerce Website) - [Github Link](#) | Python, OOPs, Django, DjangoREST, React, Redux, PostgreSQL

- Built an e-commerce website has quite a bit of functionality like add to cart, add in user registration, and login authentication.
- Users be able to log in, modify their orders, and accounts, and view their orders from their user profile.
- I also built my own custom admin panel(so, if I am an admin I can modify users' orders, products, and many more)

StudyBud - [Github Link](#) | Python, Django, OOPs

- Build a Discord-like web app for online chatting where users can create rooms or join rooms and discuss topics.
- Implement some Django admin functionalities like user Authentication and Authorization.

Library Management System - [GitHub Link](#) | Python, ORM, Pandas, Oracle DB, OOPs

- Developed a CLI-based library user management system and integrated it with the Oracle database using ORM.
- Include some features like Users can see all their records of books they issued, lend books, and check book availability.
- Users can sign in/sign up his/her account and can reset password. I also use some validations on user details to avoid improper data sets and data redundancy.

EDUCATION

Aravali College of Engineering and Management, FBD, HR

(2019 – 2023)

Bachelor of Technology in Computer Science

Doon Bharti Public School, FBD, HR

(2017 – 2019)

Higher Secondary (CBSE), Non-Med

Percentage: 79.4%

ACHIEVEMENTS AND CERTIFICATES

- 3* Coder at LeetCode
- Champion at Codestudio
- Solve 400+ DSA Problems on various platforms
- HackerRank Skill Certificate – [SQL\(Basic\)](#) Jul, 2021
- Linear Algebra, Analytic Geometry, and Matrix Decomposition: [Udemy](#) Nov 2021
- Linear Algebra Code Implementation(Python): [Udemy](#), [MML-Code](#) Dec 2021
- (C-3) Multivariable and Vector Calculus: [Udemy](#) Feb 2022
- Probability and Statistics: [Udemy](#) Mar 2022
